Bulletin Number 2:
Friday 25th September

A warm welcome to this week's Bramford Bulletin!

Thank you to all the parents and carers who joined us for our Meet the Teacher information meetings last week. We hope you found the sessions helpful and informative and most importantly, that they will support your child(ren) in their learning and experiences at school.

We also enjoyed our very first Share Assembly and Share Morning! A special thank you to our Tortoises for their enthusiasm and confidence when sharing their learning from our English text, exploring Greek Gods and Percy Jackson. Our UKS2 Literacy Tree text is certainly proving to be a hit!

Across Bramford, classes have continued to embrace both their classroom and outdoor learning experiences, celebrating their ACE achievements, whether they are big or small. It has been wonderful to see children demonstrating curiosity, resilience, creativity and a sense of pride in their learning.

Our Owls have also had a very special week, completing their three-day residential together in unity. We are incredibly proud of them and look forward to hearing all about their adventures, challenges and successes when they return and share their experiences with us next week.

What a busy and exciting week of learning, sharing and achieving across Bramford and more to come in the next few weeks!

Tuesday 29th September @ St Marys Church for our Harvest Festival

10:45am - Tortoises, Magpies, Frogs, Hares and Badgers
2:00pm - Owls, Foxes and Woodpeckers and Hedgehogs

This year our focus is to brighten the lives of others in our local community. We would like to donate to the Ipswich FIND food bank to help those in need. We ask that all donations are handed in on Monday 28th September so we have time to transport all donations to the church for the Harvest Festival the next day.

We welcomed this week a new member of our Federation team. Mr Nightingale, from KICK, will be joining our school community this term. He will be working closely with pupils through one-to-one and small-group mentoring, supporting their wellbeing, confidence and personal development. Alongside this, Mr Nightingale will lead a range of engaging activities, helping children build teamwork skills and enjoy positive, active play. We look forward to the valuable contribution he will make to our pupils' school experience.

🌐 New Girls' Football Kits!

We are delighted to have additional girls' football kits for the new football season! We would like to say a huge thank you to Mrs Tigges and Landfill Systems for their generous support in helping us provide these new kits. We can't wait to see our girls proudly wearing them as they take to the pitch this season. We wish our Boys' and Girls' teams lots of fun, teamwork and success this year! 🌐

Bulletin Number 2:
Friday 25th September

Walk, Scoot, Bike or Jog to School!

Do you walk, scoot, bike or jog to school? Physical activity is a brilliant way to start the morning! Active travel helps children stay healthy, happy and ready to learn.

Walking to school can:

- * Support physical and mental wellbeing.
- * Be fun and help children explore their neighbourhood.
- * Reduce emissions and help protect our planet.
- * Help children arrive refreshed and ready to learn.
- * Build independence, confidence and road-safety skills.
- * Provide valuable family time.
- * Avoid traffic and the stress of finding a parking space.

It is never too early or too late to start, and active travel does not require expensive equipment – just comfortable shoes, a bike or scooter and a waterproof coat!

If you need to travel by car, Please make sure you park considerately and safely.

Please remember:

Do not park in our school front or rear car parks, which are reserved for staff, visitors and those with an agreed parking permit.

Do not park on the yellow zigzag lines near the school gate on Duckamere. For the safety of our children.

Do not park within or opposite the turning point at the end of Duckamere (outside Bramford Pre-School). Keeping this clear allows vehicles to turn safely.

Park and Stride

Why not use the Victory Hall car park and Park and Stride to school?

Thank you for helping keep our children and community safe!

Last week we celebrate that two of our classes, Woodpeckers and Hares both achieve 100% attendance. This week Woodpeckers achieved the highest attendance. Congratulations everyone!

POOR and INCONSIDERATE PARKING CLOSE TO SCHOOLS CAN PLACE CHILDREN AT RISK

DO NOT PARK ON THE FOLLOWING

Failure to follow these rules may result in a Penalty Charge Notice being issued.

Please park safely and be considerate of others.

#thinkb4upark

Remember...

When children **attend school** they:

- Can achieve their **potential**
- Have better **career prospects**
- Learning is **built upon** everyday and links can be made between subjects
- Grow in **confidence**
- Develops **independence**
- Make new **friends**

Every day at school is a step towards a **brighter future!**

THE BENEFITS OF ATTENDING SCHOOL EVERY DAY

- Keeps learning on track**: Attending school every day helps pupils keep up with lessons as they are taught, making it easier to understand and build on previous learning.
- Prevents gaps in knowledge**: Regular attendance reduces the likelihood of missing important teaching, helping pupils develop a secure understanding across all subjects.
- Avoids the need to catch up**: Pupils who attend consistently do not need to spend extra time catching up on missed work, reducing stress and helping them stay confident in their learning.
- Supports social and emotional development**: Daily attendance allows pupils to build friendships, develop communication skills, and take part in the wider life of the school.
- Improves future outcomes**: Good attendance establishes positive routines, supports academic achievement, and gives pupils the best opportunity to reach their full potential.

ATTEND TODAY, ACHIEVE TOMORROW!
Every day counts. Every lesson matters. Every child matters.
